PROFESSIONAL PROFILE

Aspiring software engineer currently pursuing a Bachelor's degree in Software Engineering at Western Governors University (WGU). My journey began with a coding bootcamp where I gained hands-on experience in building dynamic, user-friendly applications. This experience ignited my passion for software development and motivated me to further my education and expertise in the field.

TECHNICAL SKILLS

Languages: HTML, CSS, JAVASCRIPT

Frameworks: REACT, REACT NATIVE, BOOTSTRAP, TAILWIND CSS

CERTIFICATIONS

- Full Stack Web and Mobile Development

PROFESSIONAL EXPERIENCE

Amazon Delivery Driver – *Lightspeed Logistics Inc* | Bensalem, PA

May 2024 – present

Provided timely and accurate delivery of packages to customers' doorsteps. With a focus on efficiency and customer service, navigated delivery routes safely and efficiently, utilizing advanced logistics technology to optimize delivery schedules.

Route Driver – *Yuldash Inc* | North Wales, PA

October 2023 – May 2024

Executed timely and efficient pickups and deliveries according to schedule. Insured proper handling and secure transportation of goods, prioritizing safety and integrity

Safety Manager – *Btr-Way Logistics LLC* | Philadelphia, PA

April 2022 – September 2023

Ensured compliance with DOT regulations, conducted driver training, managed insurance claims, and resolved traffic violations. My role encompassed promoting a culture of safety, recruiting drivers, and safeguarding operational integrity.
